SEQUENCE LISTING 37 CFR 1.821

Dear Sir:

Applicants respectfully request entry of the present statement in regard to the enclosed sequence listing in the above-referenced application.

Applicants submit the attached sequence listing and provide an enclosed 3.5 inch diskette containing a sequence listing for the sequences found in the application. The file is stored as Seq.txt.

Applicants hereby state that the content of the paper and computer readable copies of the sequence listing, submitted in accordance with 37 CFR 1.821(c) and (e), respectively, are the same. Applicants also state that the submission, filed in accordance with 37 CFR 1.821(g), does not include new matter. The sequences found in the sequence listing are identical to those found in the application.

Applicants believe that there is no additional fee required to file this paper. If Applicant are in error, the Commissioner is hereby authorized to charge any required fees and/or credits by this paper and during the entire pendency of this application to Account No. 06-2375/10001907.
